## Recent Family Activity...

The year 2000 brought increased activity and support. Thank-you! Thank-you! Thank-you to all of our supporters out there! We are blessed to be able to experience the joy of the families we are able to help. A common response is that the aid is nothing less than an answer to their prayers. It is each of you as supporters, both in prayer and finances, who are ministering to the needs of these families.

It is absolutely exciting to see children without parents be adopted into loving, Christian homes! Since our September newsletter, we have had seven more families bring their children home. We also have commitments to seven more families who are still in the process of adoption. GGAM is considering approximately ten applications per month. As you can imagine, we are only able to scratch the surface of the need.

At times, it seems that our contributions towards the families we are able to help are not very significant but we know that we serve a God who notices the fall of a sparrow. Please pray that we focus on helping individual families as He provides the resources. God bless you all for your encouragement and support!

We would like to say a special 'Thank-you' to Stuart and Cheryl Layman who blessed this ministry during the recent loss of their son Travis. Gifts in remembrance of Travis were donated to GGAM. You are in our thoughts and prayers often!

We extend our appreciation to The Woodland Companies. A recent Woodland dinner generated over \$1,000.00 to benefit GGAM. Thanks also to Ward's Office Furniture for the sorely needed file cabinet.
